

ILY Bed Shaker

Model LY45

ILY Bed Shaker Model LY45 plugs into the 4.5 volt DC output of the ILY Alarm Clock to shake you awake.

ILY Bed Shaker Model LY45 was designed by Global Assistive Devices, Inc. to be compatible with the ILY Alarm Clock. The low voltage mini plug of ILY Bed Shaker Model plugs directly into the jack on the side of the ILY Alarm Clock. Place the ILY Bed Shaker under the pillow and when the alarm is activated, the ILY Bed Shaker will start to vibrate.

ILY Bed Shaker Model LY45 has an automatic thermal shutoff with automatic reset. In the event that your alarm is inadvertently left on, this thermal protector will stop the vibrations and then automatically reset when the unit is safe to start again.

ONE YEAR WARRANTY

Your ILY Bed Shaker Model LY45 Bed Shaker is warranted to be free from defects in material or workmanship for one year from date of purchase.

This warranty does not apply to any unit which has been used for other than its intended use, or has been subjected to misuse, negligence or accident, or has been opened or serviced by anyone other than an authorized Service Dept of Global Assistive Devices, Inc..

Global Assistive Devices, Inc. may select to replace the entire unit rather than repair it.

For service, return the unit with proof of purchase date, in a secure package, insured, and with shipping charges prepaid. Please include a note describing the service required and your return street address. Enclose payment of \$9.95 (check, money order, Visa, MasterCard, American Express, or Discover) for domestic shipping and handling. Other Countries please contact us for pricing.
